

**We have been very busy tasting wine to bring you some of the most exciting producers and wines from all over the world. Some of our selections are extravagant, but then we think that the best steak money can buy should be accompanied by the very best wines.**

### **Woodward Canyon**

**Rick Small and his wife, Darcey Fugman-Small started the winery in 1981 and are pioneers in Washington State. With a philosophy for quality over quantity their production to this day remains incredibly small and commands a religious following in the states. The wines achieve excellent intensity with fruity Merlots and focused Cabernets all grown on the States top vineyards.**

*Cabernet Sauvignon ' Artist Series ' 2005 £70.00*

This awesome wine combines cassis, loganberry, black cherry, dark chocolate and nutty oak notes on the palette with a long, dry and classy finish that emphasize its great balance.

*Merlot 2005 £70.00*

This wine shows extraordinary complexity, definition and focus. Flavours of dried cherry, subtle oak and coffee are well integrated with firm mature tannins adding backbone and structure.

### **Alban Vineyards**

**Robert parker described this wine as monumental and scored it 100 points alongside some of the finest tipples on the planet. This is an extremely rare chance to try this super limited wine from the Edna Valley in California.**

*Alban Estate Vineyards Syrah 2005 £170.00*

Gorgeously sweet aromas of flowers and blackberries with subtle hints of smokey oak and bacon fat with fabulous fruit, brilliant concentration and perfect balance on the palette. Altogether an incredible wine.

### **Duckhorn Vineyards**

**Duckhorn Vineyards have been producing fantastic Bordeaux varietal wines for over 30 years in the Napa Valley. Their wines were consumed during President Obama's inauguration dinner, a testament to their outstanding quality.**

*Paraduxx 2006 £70.00*

An awesome blend of Zinfandel and Cabernet Sauvignon making it the ideal partner for our aged steaks.

### **Sine Qua Non**

**No one is quite as obsessed with winemaking as Manfred Krankl. Take that, add in exceptional talent, humility and top notch vineyards and you can begin to understand just how special these wines are. This is an extremely rare chance to taste these wines that have scored as high as 100 points in Wine Advocate.**

*Raven Syrah 2006 £180.00*

Sweet blackberry, charcoal and chocolate aromas. Full bodied with intense blackberry and graphite on the palette. Stunningly long finish.

### **Michele Satta**

**Michele Satta is one of the rising stars of Italian Wine. His vineyards in Bolgheri are very close to the illustrious Ornellaia. His wines are simply awesome and now consistently feature amongst the top wines in the world.**

**I Castagni has beaten Sassicaia in numerous blind tastings this year.**

*Cavaliere 2000 £45.00*

This wine is unusual for Bolgheri in that it is made from 100% Sangiovese grapes resulting in a wine that has a delicacy and finesse comparable to Burgundy.

*I Castagni* 2004 £100.00

This blend of Cabernet Sauvignon, Syrah and Teroldego comes from the grapes grown exclusively in the I Castagni Vineyard. Only a few thousand bottles are produced each year and the quality is exceptional.

*Syrah* 2006 £65.00

This syrah is incredibly small production and exclusive to Hawksmoor in the U.K. A powerful but incredibly well balanced Syrah. Great fruit, acidity and spice really showcase the talents of the winemaker.

### **Ramon Bilbao**

**This family run Bodega has been producing quality wines since 1924 and this year was voted the top winery in Spain. From entry level reds like the Rioja Black label that we serve by the glass to the top wine Mirto the accolades just keep rolling in.**

*Mirto* 2005 £65.00

Soft and elegant yet blunt and powerful. This wine is a shining example of how well oak can be integrated into wine. Fresh and juicy and winner of the International Wine Challenge for best Spanish Red.

### **Vega Sicilia**

**We felt very lucky when we were offered a small allocation of the wines from this famous estate located in Valbuena de Duero. The wines of Vega Sicilia are some of the finest in the world.**

*Bodegas Alion* 2005 £90.00

Bodegas Alion was founded 15yrs ago by Vega Sicilia with the express aim of creating a more modern style wine using 100% Tempranillo. Aged for 18 months in new oak this is a real powerhouse.

*Vega Sicilia Unico* 1994 £250.00

With an intense ripe cherry colour this wine is full bodied, potent and powerful. An unbelievable vintage and a wine headed for the history books.

### **Chateau La Nerthe**

**This Chateau is one of the oldest in Chateaufort Du Pape with a history that dates back some 800 years. All 13 varieties of grape used in this most famous of blends are grown organically with the aim to express the terroir fully. Its wines are simply world class and here we take 2 of their wines from one of the greatest vintages the region has ever seen. This is an extremely rare opportunity to taste them.**

*Chateau La Nerthe* 1998 £100.00

This wine is making the magical transformation from vibrant fresh fruit flavours to complex coffee and dried spiced fruit. Lovely length, brilliant balance, plenty of power and yet perfectly elegant.

*Chateau La Nerthe 'Cuvee des Cadettes'* 1998 £175.00

Undoubtedly one of the greatest wines in the world. A freshness of fruit and yet a meaty maturity characterise this wine. Black and red fruits, herbs and spice combine seamlessly to create a monumental wine.

### **Domaine Meo-Camuzet**

**Meo-Camuzet is undeniably one of Burgundy's star estates. The famous Henri Mayer rented their vineyards for many years before becoming a mentor figure for the current winemaker Jean-Nicholas Meo.**

*Nuits St Georges* 2004 £85.00

This wine is incredibly well balanced. It has great structure with a fleshy plumpness and already shows great maturity. Drinking extremely well.
